The final draft of the Environmental Assessment report of the EAO concluded that there are no significant adverse effects caused by the Morrison Project that cannot be mitigated. I recommend that an Environmental Assessment Certificate not be issued in connection with its application for the Morrison Copper/Gold Mine Project.”

Effects on Families, Jobs and Economic Development
Loss of 1,117 jobs: Loss of $893.5 million in tax revenue to the Crown; Loss of $1,258 million in GDP (Gross Domestic Product).

1,100+ shareholders suffer approximately $120 million loss of invested funds and potential returns. These losses impacted many individual investors and their families, forcing some seniors to defer their retirement.

Loss of jobs and opportunity for First Nations to including funds that would be received from the resource revenue.

Persistence paid off in late summer 2012 when a government-commissioned technical report acknowledged that Pacific Booker's stock dropped 67%, from $14.95 to $4.95, in a single day on October 2, 2012, erasing the company's entire valuation.

Do the BC Liberals really support Families, Economic Development and Job Creation?
